## About the Samaritans

We are a non-denominational, non-profit volunteer organization whose mission is to prevent suicide. We have trained almost 725 volunteers over the past 32 years to befriend callers and help alleviate painful feelings that may lead to suicide. We answered more than 21,000 incoming calls in 2009.

Our organization began in London in 1953. The first U.S. center was established in Boston in 1974, and Monica Dickens Stratton (great-granddaughter of Charles Dickens) founded The Samaritans on Cape Cod and the Islands in Falmouth in 1977. There are now 400 Samaritan centers in 42 countries, making it the world's oldest and largest suicide prevention network. Ten of these centers are located in the United States.

Monica Dickens Stratton and the Army Corps of Engineers were responsible for erecting suicide barriers on both the Sagamore and Bourne Bridges in the early 1980's, virtually eliminating tragic deaths from those sites. To this day, Samaritan signs with our crisis hotline numbers are posted on those bridges.

Samaritan hotline volunteers are available 7 days a week, and can be reached at: 508-548-8900, 800-893-9900 or 877-870-HOPE.

## Outreach Programs

Our **Teen Forums** and **Community Education Programs** focus on recognizing the risk factors and warning signs of suicide, as well as understanding the importance of reaching out to get help.

Our **Safe Place** support group helps those who have lost someone to suicide gain strength and courage from one another.

Our **Senior Outreach Program**, an outgoing call program, provides a safety net for seniors referred by Cape and Islands' Councils on Aging.

Our **BRAVO Program** aids veterans and their families dealing with deployment issues and re-entry into everyday living.

***Your Enjoyable Day with Us  
Brings Relief to Many  
Whose Lives Lack Joy***

**Dear Tournament Participant,**

Brighten your day at beautiful Pocasset Golf Club to support a service that brightens the lives of lonely and depressed people. Designed by Donald Ross, acknowledged by leading experts as the game's greatest course architect, Pocasset Golf Club is recognized as one of the best examples of his genius.

**We need you.....**By spending an enjoyable time on June 28, you make this event a success, and the event contributes about 25 percent of our annual program budget.

Our programs in 2009 grew to bring relief to more people than ever in recent times:

Our **Crisis Call** volunteer befrienders answered 21,005 incoming calls, with caring relief for lonely, despondent callers—more than in any of our past 10 years

Our **Outreach** volunteers made 588 outgoing calls to provide essential support to isolated and depressed senior citizens in an expanding program—more than ever before

Our **Safe Place** volunteer facilitators, in a renewed Samaritan program, ran 14 meetings on the Upper Cape to ease the pain of those who have lost a loved one to suicide—a service we are expanding to at least one other site this year.

**So please join us for this tournament.** Enjoy this extraordinary golf course; feel the physical well-being of being out-doors; feel uplifted by the camaraderie; feel proud that you are supporting growing, effective programs.

**Many thanks.....**on behalf of the callers assisted by your participation on June 28, and from our volunteers, staff, and board.

Peter Clark  
President—Board of Directors
